Q&A

- When should my child start playing soccer?
 - It varies for each child. If you introduce a child to soccer too early they may not enjoy it. Some children start in our U-4 program while we have had players get their 1st experience in our U-6, U-8, or U-10 leagues.
- How much time will be required for my child?
 - U-4 & U-6 Leagues play 1 hour/week
 - U-8, U-10, & U-13 Leagues typically play 1 game/week and have 1 practice/week; depending on the game schedule there may be occasionally 2 games in a week
- How long are the games?
 - All games in U-8, U-10, & U-13 Leagues have 4 quarters and are played in 1 hour.
- When/Where are the games?
 - Games are played at different times on Friday evenings and Saturdays at the Fly
- How many practices will there be each week?
 - All teams in U-8, U-10, U-13 & U-17 Leagues have 1 practice per week. The time and the date of the practice is determined by the head coach
- Can I pick which team my child plays on?
 - Our philosophy is to evaluate players and select teams based on ability. We have found this provides a great environment for learning and competition.
- Do you let players “head” the ball?
 - We follow the recommendations given by US Soccer.
 - We do not coach or permit heading by players in U-6, U-8, or U-10 Leagues
 - We do permit heading by players in the U-13 Leagues
- How much does it cost?
 - U-4 Program: \$100 per child
